

I Am vs I Am That I Am

1. I Am – Divine is within. (God-immanent)
2. I Am That I Am – Divine is universal. (God-transcended)

The Lord's Prayer

Our Father who art in heaven (which art in heaven)

Hallowed be Thy name

Thy kingdom come

Thy Will be done on earth as it is in heaven

Give us this day our daily bread

And forgive our debts as we forgive our debtors (As we also have forgiven our debtors)

And lead us not into temptation (and leave us not in temptation)

But deliver us from evil

For Thine is the kingdom

And the power and the glory forever and ever.

Amen

The Lord's Prayer Dissected

Nature of the Divine:

The First Half of the Prayer:

1. God is the Source of our supply.
2. God is available to us. We are one family of light.

Our Father who art in heaven (which art in heaven) Crown Chakra – violet color

1. Loving, close, familial relationship between you and your Divinity.
You are a child
Divinity is a Father

2. Our interconnectedness: We all have the same Father; therefore, we are truly all brothers and sisters. We are ONE.

Hallowed be Thy name Third Eye Chakra – Indigo Color

“Hallowed” means whole and perfect. We are declaring God’s goodness.

We bring the Divine into our life:

They kingdom come Throat Chakra – Blue color

If God is supreme good, then His kingdom brings supreme goodness to everyone.

God’s will for you all the good things in life, including all your heart’s desires.

Thy Will be done on earth as it is in heaven Heart Chakra: Green Color

Earth means visible results (manifested desires)

Heaven means the invisible (the realm of ideas)

Ego must surrender its free will for God’s good to enter.

The Second Half of the Prayer:

1. How our specific material physical needs are supplied by the Divine.

Ask daily for more than enough.

Give us this day our daily bread Solar Plexus Chakra- yellow color

In Greek, “daily bread” means “super-substantial bread, more than enough.”

Metaphysically, “bread” means Radiant Substance.

We are asking for a consistent supply in a constant flow of the radiant substance in a rich, appropriate form. This is not “just a little.” It is what we need today but in a luxurious form.

Daily forgiveness is a must!

And forgive our debts as we forgive our debtors (As we also have forgiven our debtors)

Spleen Chakra – Orange color

God has already forgiven us. But we must forgive so we can unblock our internal blocks. Toxic feelings and thoughts of anger, hurt, resentments, disappointments, criticisms, etc. block the channel to the Divine.

Claim Divine protection and you will receive it:

And lead us not into temptation (and leave us not in temptation)

Root Chakra- Red color

Do not leave us in times of trials and tribulations. (Our spiritual lessons- blessings)

“Evil” means lack and limitation.

But deliver us from evil Root Chakra- Red color

Once our spiritual lesson-blessing is over, get us out of there fast.

Praising God and ask BIG

For Thine is the kingdom

And the power and the glory forever and ever. Crown chakra – violet color

Reaffirmation of God’s goodness.

Completion.

Amen

So be it. I have faith that what I ask for is already on its way to me.
